Alfamart · Alfamidi · Lotte Mart City · Dan-Dan · Kimia Farma · Apotek K24 · awadah

* = End of 2020

NEWS

DAV EXPANDS IOT-BASED INTERACTIVE SCREEN PLACEMENT

The development of beauty history in Indonesia is quite rapid over the past few years, espicialy in big cities in Indonesia. This growth potential is supported by increased public awardness to maintain health and beauty not only among woman but also among men. To that end, to provide a solution specifically for the needs of this community, it is necessary to be supported by latest innovations.
